

LINC

VOLUNTEER FORM

Please seriously consider putting your name forward as a LinC volunteer. For a little of your time and expertise, you can make a world of difference to those in need, demonstrate communion of saints, and be a shining light in the local community. As LinC is in its early stages, you don't need to expect to be called upon beyond what you are able to manage. And the more volunteers we receive, the more people there are available to be called, meaning that the workload is spread further.

If you would like to be a 'good samaritan' in your community, please fill out the form below and indicate in which areas you are able to serve.
